4. Enter the information in the form as seen to the right. Then click to [Start download](#).

The screenshot shows the SMART website's 'Download software' page. The form includes fields for First name (Andrea), Last name (Lusk), Organization (Upper Arlington Schools), Industry (K-12), and E-mail (alusk@uaschools.org). There is a checkbox for 'Can SMART e-mail you about software updates, products, services and related events?' which is checked. Below the form is a 'Start download' button. A black arrow points from the 'Start download' button in the text box to the button on the website.
